

Varjo XR-4 – CAD Models

Varjo_XR-4 Series headset.stp

- Includes the surface model of the visible parts
- Does not include detailed information about hardware or mechanical solutions

Varjo_Base station tracking Front plate.stp

- Includes the 3D surfaces of the visible part and the tracking sensor locations
- Does not include detailed information about hardware or mechanical solutions

Varjo_Ultra Leap hand tracking.stp

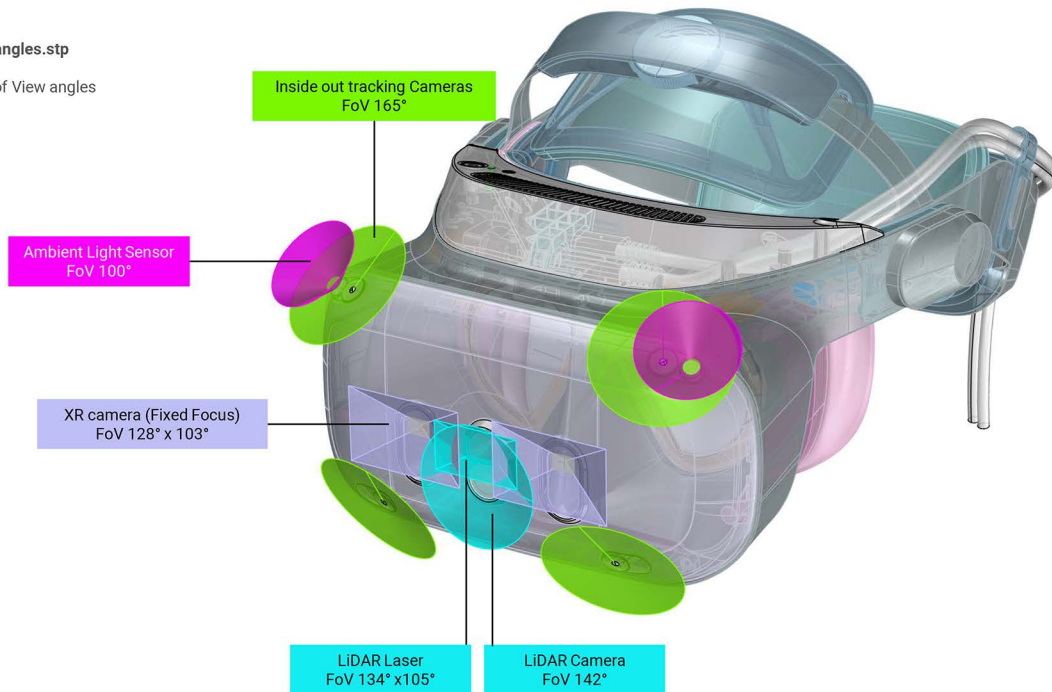

- Includes the 3D surfaces of the visible part; Holder, Leap Motion Controller 2 and cable

Varjo XR-4 – CAD data for camera viewing angles

Varjo_XR-4 Headset camera viewing angles.stp

- Includes cameras' respective Field of View angles

Varjo Controllers – CAD Models

Varjo_Controllers.stp

- Includes the 3D surfaces of the visible parts and the tracking emitters' locations and respective normal vectors
- Does not include detailed information about hardware or mechanical solutions
